

Art. **xx218** Apertura connettore Keystone RJ45 Cat.5e
Keystone RJ45 Cat.5e connector opening

1. Verificare la presenza dell'inserto di blocco ed eventualmente sollevarlo.
1. Check the presence of the locking insert and lift it if it is present.

2. Togliere l'inserto e procedere al cablaggio. Reinserire al termine, per tenere chiuso lo sportello.
2. Remove the insert and proceed with the wiring. Reinsert when finished, to keep the door closed.
